

POLYNOVA COMPOSITES

TERMS AND CONDITIONS OF SALE

GENERAL. This quotation is subject to withdrawal or change by Polynova Composites ("Seller") upon notice to Buyer at any time prior to acceptance of an order. Quoted prices are valid until the quotation expires as specified on the face hereof. Sale of any items covered by this quotation (the "Products") is conditioned upon the terms and conditions contained herein. Any additional or different terms or conditions proposed by Buyer are objected to by Seller without need of further notice of objection and shall be of no effect nor in any circumstances binding upon Seller, unless specifically agreed to in writing by an authorized representative of Seller. Buyer shall be deemed to have assented to all terms and conditions contained herein if any Products are accepted.

PRICES. Contract prices are protected for the length of time specified on the face hereof. The time period commences on the date of Buyer's acceptance of this quotation or, if applicable, on the date of Seller's acceptance of Buyer's purchase order. If Buyer postpones delivery beyond that period, prices will, at Seller's option, be subject to renegotiation. If no agreement is reached within thirty (30) days after the notice of price renegotiation has been sent to Buyer, then the prices will be those in effect at the time of delivery.

DELIVERY. Shipping dates are approximate and are based upon prompt receipt of all necessary information from Buyer. Seller will make reasonable efforts to deliver as requested by Buyer, but shall have no liability for later delivery. Seller shall not be liable for delays in delivery or performance or failure to manufacture due to causes beyond its reasonable control, such as acts of God, acts of Buyer, acts of civil or military authority, Governmental actions, fires, strikes or other labor actions, floods, epidemics, quarantine restrictions, war, riot, delays in transportation, or inability due to causes beyond Seller's reasonable control to obtain necessary labor, materials, components, services or manufacturing facilities, or any other commercial impracticability. In the event of any such delay, Seller, at its option, may terminate this contract without liability or may extend the date of delivery or of performance for a period equal to the time lost by reason of the delay. In the event of a Product shortage, Seller shall have the right to allocate its available Product supply among its customers in such a manner as Seller may consider equitable. If the Products are to be picked up by Buyer at Seller's facility, Buyer agrees to do so within ten (10) days after being advised that same are ready for pickup.

PAYMENT. Payment in full, or the first installment due, as the case may be, must be made thirty (30) days after the average delivery date, unless otherwise specified on the face hereof. If any cash payment due hereunder is more than thirty (30) days in arrears, Buyer will pay to Seller one and one half percent (1 1/2%) per month on such payment due or the highest lawful rate which can be charged Buyer, whichever is less, in addition to any other interest payments provided for herein. If Buyer delays delivery, the Products shall be held at Buyer's risk and expense. Any order for the Products by Buyer shall constitute a representation that Buyer is solvent. In addition, upon Seller's request, Buyer will furnish a written representation concerning its solvency at any time prior to delivery. If the financial condition of Buyer at any time is such as to give Seller, in its judgment, reasonable grounds for insecurity concerning Buyer's ability to perform its obligations under this contract, Seller may require full or partial payment in advance and suspend any further deliveries (or continuance of the work to be performed by Seller) until such payment has been received. Failure to furnish such payment within ten (10) days of demand by Seller shall constitute a repudiation of the contract, and in such event, or in the event that Buyer cancels the contract, Seller shall be entitled to receive reimbursement for its reasonable cancellation charges.

TRANSPORTATION, TITLE AND RISK OF LOSS. Delivery shall be made at, and Buyer shall assume all transportation charges from, the EXW (Ex Works) point shown on the face hereof. Title to the Products or any part thereof shall pass to the Buyer upon completion of the final assembly of such Products or part or, if final assembly is not required, upon delivery of such item or part to the EXW point. However, in the event that commencement of final assembly is delayed beyond thirty (30) days from date of delivery for any reason for which Seller is not responsible, Seller may request, and Buyer will accept, title to the Products to the extent of pro rata payments made to Seller. Risk of loss of the Products or any part thereof shall pass to Buyer upon delivery of such Products or part. Seller hereby reserves and retains, and Buyer hereby grants to Seller, a purchase money security interest under the Uniform Commercial Code (or, if the Products are located in Louisiana, a vendor's lien) in such product until time as full payment is received. Buyer will cooperate fully with Seller with respect to any documentation of the security interest and the filing thereof.

ASSIGNMENTS. This quotation and any contract based thereon, or any interest therein, is not assignable by Buyer without the prior express written permission of Seller.

TAXES. Seller's prices do not include sale, use, excise or similar taxes. Consequently, in addition to the prices specified herein, the amount of any present or future sales, use, excise, value-added, or other similar tax applicable to the manufacture, sale, price, delivery or use of the Products furnished hereunder, shall be paid by the Buyer as a part of said price or in lieu thereof the Buyer shall provide Seller with a tax-exemption certificate acceptable to the taxing authorities.

EXCLUSIONS OF WARRANTIES. Buyer's application-specific analysis at least must include testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Buyer shall assume all risks and liabilities in connection therewith. Buyer shall protect, indemnify, defend and hold harmless Seller from, against and with respect to any claims, damages, losses, costs or expenses (including but not limited to reasonable attorneys' fees and court costs) relating to the use by Buyer, Buyer's customers or others, of the Products or Information, or infringement or Buyer's failure to comply with any provisions of this contract, including but not limited to the modification or alteration of the Products or their incorporation into or use with other products or goods.

In no event, whether as a result of breach of contract, warranty, tort (including but not limited to negligence and strict liability) or otherwise shall Seller's liability to Buyer for any loss or damage arising out of, or resulting from this contract, or from its performance or breach, or from the Products or Information, exceed the price of the specific Product which gives rise to the claim.
